GREAT DENTAL CARE FOR CHILDREN AND ADULTS

You'll receive a diagnosis you can trust and the very best professional care from student dentists & dental hygienists, and dental residents.

We use only the most up-to-date procedures and materials. Fees are reduced to reflect the student status of the caregiver.

All dental services are provided under supervision by a faculty dentist.

- We treat children and adults.
- We provide all general & specialty dental services (i.e. check-ups, fillings, teeth cleaning, braces, root canals, oral surgery, dentures, etc.).
- We accept Medical Assistance, MinnesotaCare, GMAC, & most dental insurance plans.
- Reduced fees reflect the student status of the caregiver.
- Easy access by bus.
