

TRIP (Tuition Reduction Incentive Program)

We are excited to announce that the TRIP program is now online. We hope that with online ordering we will be able to expand the TRIP program. Our ultimate goal is to have a supply of TRIP on hand and available at school.

What is TRIP? TRIP is a program that we have at the Blaine campus that helps earn credit towards tuition or go to the general fund of the Blaine or High School campuses. You order gift certificates to use for groceries, gas, restaurants, etc. and a percentage goes into a family account that you designate for tuition reduction or the general operating fund (1% is kept to run the TRIP program and the rest goes into your account). These credits are distributed at registration time in April.

How do I order online? Go to the shop with scrip website www.shopwithscrip.com. On the left side of the screen you will see a green section labeled new member sign in.

For new to TRIP customers select a user name, password and log in. The CCS enrollment code is: A9AAF4CL9445

Place your order by either typing in the name of the certificate or use the browse feature. When you are done with your order save it and it will automatically transfer into the Calvin account. Orders are due on Thursday by 4pm and will be available for pickup the following Thursday. After placing an order please submit a check to Calvin Blaine. Please make checks out to CCS – TRIP.

During the school year the potential for ordering is every week. An order will be placed, if the order is at least \$1,200.00 (If we do not get a \$1,200.00 order we will wait until the next week – you will be contacted if an order does not go in – this is because we have to pay shipping and it is not fiscally responsible to place orders less than this amount). Again orders need to be placed by 4pm on Thursday. Orders will be processed and you will get you gift cards by the following Thursday.

We ask for a one time \$5.00 start up fee (added to you check with your first order). One percent of each order stays in the TRIP account to run the program and the rest of the percentage goes to the designated area (family or general fund).

Thanks for considering this as an option to help support Calvin Christian School.
