Deeply Rooted, Bearing Fruit

January 20, 2012

Dear Parents,

We are about halfway through the school year, and it's already time for us to make plans for next year. Please help us plan and prepare by completing the online preregistration process for the 2012-2013 school year.

As Christian parents, we believe that the Lord has given our children to us and that we are called to educate them in the truth of God's Word and teach them to live as Christ's disciples in our world. The administration and staff of Calvin Christian earnestly desire to continue to partner with us in this critical endeavor of educating our children. Please prayerfully consider your child(ren)'s enrollment at Calvin Christian for next school year.

Submission of your preregistration information *and* preregistration fee is due by Friday, February 3, 2012. If you have children enrolled in both the K-8 and high school programs, only one form and fee per family is required. Please make every effort to submit your preregistration by the deadline. There are a number of grades in which class size is at or near the maximum number of students. **After the preregistration deadline, enrollment openings for next year will be offered to interested families of new students who are not currently enrolled.**

Final registration for the upcoming 2012-2013 school year will take place in early April. At that time you will be committing to your Fair Share Pledge for the upcoming year and paying a registration fee. Please note that all payments for this school year need to be current at the time of registration in April, otherwise registration will be considered contingent on the payment of any balances in arrears. In addition, all 2011/12 payments and 2012/13 fees must be paid in full by the final day of school (June 6) in order for the registration process to be considered complete. Unless you have made special arrangements with the finance committee, an unpaid balance as of June 6 may cause your child's position to be forfeited to a student on a waiting list.

Thank you for your prompt response and your prayers for Calvin Christian School, the Board, administration, teachers, and students as we seek daily to provide a Christ-centered education.

In His Service,

Tim Johnson
Finance Committee Chair
