To view the recommended adults and children's immunization schedule, go to the Immunization Schedules page on the Minnesota Department of Health Web site
 (www.health.state.mn.us/divs/idepc/immunize/schedules.html)

- No appointment is needed for the clinics listed above.
- Children under 18 years of age must be accompanied by parent or guardian or have proper written consent.
- Please bring all immunization records with you to the clinic.
- Immunizations are also being offered during business hours by **appointment only** in the Anoka County Community Health and Environmental Services Department, Anoka County Government Center, 2100 3rd Avenue, STE 600, Anoka, MN. Appointment times are limited and vary from week to week. To schedule an appointment for an immunization at the Health Department, call 763-422-6965.
- **Mantoux skin testing (TB screening)** - available by appointment only and had a \$12 fee.

Costs:
 \$10 donation per shot for qualifying clients is requested.
 \$12 fee for Mantoux Skin Testing
 Fees may be subject to change.
 Call the Immunization Hot Line at 763-323-6100 for current information.
