Dear

Each year the students of Calvin Christian School participate in a fund-raising activity known as the Marathon for Non-Public Education. In the past, funds raised by the students have been used for playground equipment, computers and software, music and band instruments, science equipment, building additions, library resources, student scholarship funds, and teacher professional funds.

This year the Marathon will be held on October 2nd. We, the students of CCS, are contacting relatives and friends to ask for pledges to sponsor us. We will then bike, jog or walk a designated 6-mile route in support of Calvin Christian School.

Would you please sponsor me for:

_____ \$5.00

_____ \$10.00

_____ \$15.00

_____ \$20.00

_____ \$25.00

_____ \$50.00

_____ \$ Other

Thank you in advance for your support of my school and me.

Your friend,

Please return this pledge sheet and your check to me by October 4th in order to meet the Marathon deadline. Make checks payable to Calvin Christian School.
